The Court first set a pretrial conference date on November 1, 1961, which Order was vacated by the Court on October 3, 1961. The Court has ordered all defendants to file a Statement of Issues on or before October 25, 1961, and a Memorandum of Points and Authorities on two legal propositions on or before December 4, 1961. People vs. City of Long Beach, et al.

On May 15, 1961, the City filed a General and Special Demurrer, with Points and Authorities in Support Thereof, to the State's Complaint. The State's Points and Authorities in opposition to the City's Demurrer were filed on June 23, 1961. 4. Case No. 75730 W.O. 3863
City of Hermosa Beach vs. State of California,
State Lands Commission, et al.
Los Angeles County Superior Court
(An action filed by the City for declaratory relief and for instructions to Trustee.)

No change in status since report given at meeting of August 28, 1961, i.e., The State filed a Special Demurrer, seeking clarification of the City's Complaint, which was heard by Judge Praeger on June 5, 1961, at which time the Demurrer was sustained in part and overruled in part. The City has filed its Amended Complaint, and the State has filed an Answer and Cross-Complaint, raising an issue as to validity of the City's anti-drilling ordinance as applied to tide and submerged lands held in trust for the State. The City filed its Answer to the State's Cross-Complaint on July 24, 1961. The Shell and Continental Oil Companies have given notice to the City that they are exercising their option to withdraw from the Drilling and Operating Contract with the City of Hermosa Beach. The case is being prepared for trial.
